

Vicki Guye is the Director of Audit and Investigations for the Department of Finance and Administration, Division of Health Care Finance and Administration. She is responsible for developing, organizing and directing the Division of Health Care Finance and Administration's Audit plan. She plans financial, operational, and compliance audits to determine the adequacy of the department's systems of internal control and the degree of compliance with these controls. Ms. Guye is also charged with conducting special investigations as requested, and making recommendations for improved controls, operating procedures, and systems designs.

Vicki is a Certified Public Accountant (CPA) with over 30 years of audit experience in State government. She received her Bachelor of Science degree in Business Administration at Tennessee Technological University.
